Mr. C. A. Ouseph:—May I know the material points on which they differed?

President:—It is time.

Mr. K. M. Ibrahim:—I request the President to extend the question time.

President:—We have other matters.

Lady Doctor in the Cranganur hospital—abolition of the post of.

214. മിസ്റ്റർ ഇസ്മാൽ ഹാജി.യൂസ്സാ സേട്ട്:—കൊടുങ്ങല്ലൂർ ആസ് പത്രിയിൽ ഒരു ലേഡി സബ്ബ് അസിസ്റ്റൻറ് സർജ്ജനെ നിയമിക്കണമെന്ന് കൌൺസിൽ പാസാക്കിയ പ്രമേയമനുസരിച്ച് ഒരു നിയമനം നടത്തി എങ്കിലും ആ ഏർപ്പാട് നിറുത്തിക്കളയുവാൻ കാരണമെന്ത്?

ഡാക്ടർ ഡി. രാഘവേന്ദ്രറാവു:—നിയമനം കഴിഞ്ഞതിൻറെ ശേഷം ലേഡി സബ്ബ് അസിസ്റ്റൻറ് സർജ്ജൻറെ ആവശ്യം കൊടുങ്ങല്ലൂർ ആസ്പത്രിയിൽ വളരെ ഉപയോഗപ്രദമായി കാണാഞ്ഞതുകൊണ്ടാണ്.

Cochin Students seeking admission for professional studies in British Colleges—difficulty in getting admission.

215. Mr. A. Sivarama Menon:—(a) Are the Government aware that students of Cochin are finding it difficult to get admission to Colleges in British India for higher studies and particularly professional studies like Medicine, Engineering, Agriculture and Veterinary Science;

(b) will the Government be pleased to state what action they have taken or proposed to take to meet this difficulty?

Mr. I. N. Menon:—(a) Yes, to some extent.

(b) Two places are reserved every year for students from this State in the Medical and Engineering Colleges at Madras. An annual contribution is also paid to the Benares Hindu University to facilitate admission of students from Cochin into their Engineering College.

The petitioners.

APPENDIX III A.

PROCEEDINGS OF THE DIWAN OF COCHIN.

DEVELOPMENT DEPARTMENT.

Land acquisition—Public latrine in Kunnamkulam—Diwan Peishkar's award—acceptance of.

Read 1. Letter E. 4985/09, dated 13th September 1934 from the Diwan Peishkar.

2. Petition dated 18th Chingam 1110 from Panakkal Pathros, Ittyria and others forwarded by Mr. K. T. Mathew, M. L. C., with his letter dated 15th September 1934.

3. Petition dated 18th Chingam 1110 from Pulikottil Variath Pathrose forwarded by the Excise Commissioner with his letter P. No. 112/1110, dated 14th October 1934.

and 4. Letter C. 18/09, dated 2nd November 1934 from the Director of Public Health.

Order. Dis. 1325/1110, dated 19th November 1934.

The site already selected seems to be the most suitable one and cannot be changed. If, as the Excise Commissioner thinks, a public latrine at the place will affect the sale in the toddy shop near by, the shop should be shifted from its present site to a more suitable place next year. Till then the public latrine should be kept closed.

2. The Diwan Peishkar's award No. 157/09 relating to the acquisition of sites for the public latrine is accepted. The action of the Director of Public Health in having placed at the disposal of the Diwan Peishkar Rs. 258—15—0 (Rupees two hundred and fifty eight and annas fifteen only) being the compensation payable under the award is approved.

3. The petitions are dismissed.

B.

Letter P. 112/1110, dated 14th October 1934 from the Excise Commissioner.

Public latrine near toddy shop—Kunnamkulam — construction—complaint against.

I have the honour to forward herewith a petition in original from the licensee of Kunnamkulam toddy shop objecting to the erection of a public latrine near the shop. It will be seen from the remarks of the local officers on the petition that the latrine, if constructed at the proposed site, is sure to affect the sales in the shop. At any rate the licensee could not have known that a latrine would be constructed in the neighbourhood of his shop at the time when he bid it. I would, therefore, request that another suitable site may be selected or if that is not possible to postpone the construction of the latrine for the next year.

The stamps affixed to the petition were punched in this office by a mistake.

C.

Letter C. 18/09, dated 2—11—1934 from the Director of Public Health.

Public latrine—Kunnamkulam—construction of—complaint against.

Reference:—(1) Endorsements on D—6—1325/10 and 1534/10.
(2) D.P. L. Dis. 19771/09 dated 20—9—1934.
(3) Endorsement on D—6—1325/10, dated 23—10—1934 communicating copy of a letter from the Excise Commissioner with its enclosure in original.

As already reported in my letter dated 30—8—1934 referred to in the Diwan's Proceedings quoted as second paper above, I may once again state that the site now selected, the acquisition proceedings of which are already over, is the best suited for the purpose in view of the following facts.

2. The surroundings of the site selected are being rendered insanitary by the people moving or working in the locality by answering calls of nature both in the drains and on road porambokes. An inspection of the place during morning hours will convince anybody that a latrine is an absolute necessity there. Any number of sanitary improvement works without the construction of a public latrine would be of no avail to render the place sanitary and healthy. It is with a view to remove this unhealthy state of affairs that a public latrine within an easy and convenient access to a good number of people was suggested.

3. The present protest from a few and prejudiced and interested parties against the location of the latrine on the ground of proximity to their quarters and the consequent apprehension that a latrine would make the place insanitary is quite unfounded and imaginary. A public latrine is a necessary evil and there is no use of constructing one far away from human habitations. The only thing that the department can do is to construct one on an up-to-date pattern with provision to separate faeces and urine and also to make arrangements for its proper cleaning.

4. With regard to the complaint from the licensee of the toddy shop, I may state that the shop is situated on the other side of the road at a distance of more than 50 yards from the site selected for the latrine. The

LIBRARY ARCHIVES Kerala Legislative Assembly

majority of the private latrines on the back yard of the houses very near the toddy shop are kept in a dirty condition. If the existence of these latrines does not affect the sales in the shop, it is not clear why another one at a still further distance constructed on up-to-date lines with arrangements for cleaning twice daily, would prove ruinous to it. I am led to believe that the petition from the licensee can only be at instigation of the parties interested in the affair to strengthen their case, which is by itself a very weak one. There cannot also be a fall in the income from the sale of toddy as it is a monopoly trade; even granting that there may be fall in one shop, it will be compensated by a corresponding rise in the other. The licensee cannot have any loss in the affair. If, however, as the Commissioner thinks, that the latrine may affect the shop and consequently the revenue of his department, I can suggest an easy solution by shutting out the use of the latrine till the beginning of next year when the shop can conveniently be shifted to another suitable site.

5. The construction of a latrine in any other site will not improve the unhealthy state of affairs in the locality in question. I do not therefore find any justification in recommending any deviation from my original proposal. I may also be permitted to state in general that complaint petitions and objections of the kind are quite common from the town of Kunnamkulam. Every sanitary improvement work suggested and carried out in previous years without a single exception had the same fate of going through such unpleasant ordeals. The protest petitioners are therefore encouraged to send up petitions in large numbers.

If in view of the above facts, the Diwan agrees with my proposal, I request that the construction of the latrine may be allowed to be taken up this year itself.

The petitions are herewith re-submitted.

APPENDIX IV.

COPY OF THE RESOLUTIONS.

1. That the members of the committee express their heart-felt thanks to the Chief Engineer for submitting a copy of the resolutions to the Government for orders. Moved by P. V. Uthuppu Esq., B. A., and seconded by Mr. K. M. Iyyukutti.

2. That the committee requests that the carrying out of the scheme may be expedited as early as possible. Moved by Mr. P. I. Cheru, and seconded by Mr. K. I. Pavu.
